

Project Time Frame: Please complete the following project timetable to include any project/program milestones and anticipated start and end dates. All awarded funds should be expended within one year. Project time frames should include at a minimum the project start date, submittal of quarterly reports, and project completion date.

MILESTONE	START DATE	END DATE
Receive award notification from the Deep South Authority	June 8, 2021	June 28, 2021
11 V 11 I		-
Submit final project completion report to the Deep		
South Authority for final review and reimbursement.		

**Project Description:** Please provide a concise, yet detailed, description of the proposed project/ program for which you are requesting grant funds. This description should include a statement of need warranting the proposal and any expected outcomes. (Attach an additional page if necessary):

The City of Lakeland Public Works department offers residential yard waste collections as part of their sanitation services. The yard waste must be sent through a grinding process after collection and converted into mulch. The City must source out this service and currently does not receive profit from the end product.

Actual Total Cost \$13,500.00

Please attach any Letters of Support or additional materials which further describe the proposed project. The number of attachments should be limited to three (3).
