COUNTY ACTION REQUESTED ON: South Perimeter Road Utility Extension Project

HISTORY, FACTS AND ISSUES: The Lowndes County Engineering and Utilities Department has requested proposals for the South Perimeter Road Utility Extension Project. This project will consist of installing a 12" water main to service the south Perimeter Road area developments as well as Lowndes Middle School and will include the installation of a booster pump for additional flow to this area. The project will also include the installation of an 8" sewer force main and regional lift station to service this area with public sewer. Attached is a copy of the bid tabulation sheet, notice of award and associated contract.

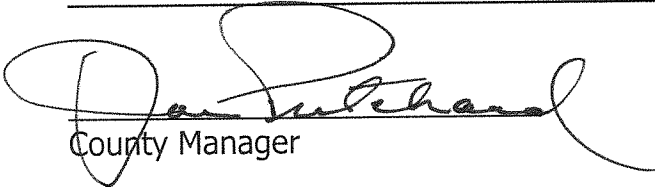

- OPTIONS: 1. Award Contract to Radney Plumbing for Alternate #1
Award Contract to Standard Contractors for Alternate #2
2. Board's Pleasure

RECOMMENDED ACTION: Board's Pleasure

DEPARTMENT: County Engineer
