

REFORESTATION

The GFC has a seedling nursery in Byromville, GA which grows a vast variety of both pine and hardwood seedlings. These seedlings are available at a reasonable price to the landowners. Seedlings are shipped weekly, to the local county units, where landowners can pick them up. This past fiscal year, E-L-L sold, stored and delivered 96,210 seedlings (1,050 - Echols, 8,010 - Lanier and 87,150 - Lowndes).

FOREST MANAGEMENT

E-L-L were very busy in the field of Forest Management this past year. 158 landowners received Forest Management advice from either unit personnel or the local county Forester. The areas of service are listed below:

Type Assistance	Number of Cases			All
	Echols	Lanier	Lowndes	
Conservation Reserve Programs (CRP)	2	10	41	53
General Advise Cases	11	10	26	47
EQUIP	2	8	16	26
