28. The grantee certifies that state funds will not be used to supplant funds that would otherwise be made available for grant-funded initiatives. State funds must be used to supplement existing funds for program activities and not replace funds appropriated for the same purpose. Potential supplanting will be the subject of application review, as well as pre-award review, post-award monitoring, and audit. If there is a potential presence of supplanting, the grantee will be required to document that the reduction in non-state resources occurred for reasons other than the receipt or anticipated receipt of state funds.
