COUNTY ACTION REQUESTED ON: Jury Management System for the Lowndes County Clerk of the Court

HISTORY, FACTS AND ISSUES: For nearly 20 years the Clerk's office has used the RDC to support Jury Summons via a custom application for the AS-400. This service has long ago reached end of life and will reach end of support in December 2019. In addition to this, both the Clerk's office and societal expectations have outgrown this system.

The Clerk's office reviewed 4 systems and have chosen the ICON Jury 360 jury management system.

This quote comes in well below the budgeted amount, is 3rd least expensive of the 4 and was determined to be the best system to fit the needs of Lowndes County.
