4.2.2 Public Involvement/Participation

The permittee must develop and implement a Public Involvement/Participation program. The permittee must, at a minimum, comply with State and local public notice requirements when implementing a public involvement/participation program. The program should address the need for the public to be included in developing, implementing, and/or reviewing the stormwater management program. The program must make efforts to reach out and engage all economic and ethnic groups.

If the permittee has a website, the SWMP, as well as any updates, must be posted on the website.

For those permittees with a population less than 10,000 at the time of the permit issuance or at the time of designation, the public involvement/participation program must contain a minimum of **two** BMPs. For those permittees with a population greater than 10,000 at the time of this permit issuance or at the time of designation, the public involvement/participation program must contain a minimum of **four** BMPs.

For existing permittees, the program shall, at a minimum, implement the requirements shown in Table 4.2.2(a) below and include descriptions of how they are implemented in the SWMP:
