The Landings Subdivision

Acceptance of Infrastructure

April 19, 2021

Dear Mr. Fletcher,

Construction of the next phase of The Landings Subdivision is nearing completion. The water main and force main, as well as associated service lines, have been installed in accordance with the approved plans. At this time, we would like to request that Lowndes County accept the water main and force main into the county's infrastructure system.

Sincerely,

A handwritten signature in black ink that reads 'Jesse N. Bush II'. The signature is written in a cursive style with a double underline at the end.
