

Contract for Bottled Water Services

This contract (the "Contract") is made effective as of June 1, 2021, by and between the Board of Commissioners of Lowndes County, Georgia (the "County") and DS Services of America. ("Vendor"),

W I T N E S S E T H

WHEREAS, Vendor is in the business of supplying potable bottled drinking water and related products and services; and

WHEREAS, Vendor wishes to provide to the County, and the County wishes to purchase from Vendor, certain potable bottled drinking water and related products and services in each case on the terms and conditions set forth in this Contract; and

NOW THEREFORE, the County and Vendor agree as follows:

1. Products to be Supplied; Price. Vendor will provide the potable bottled drinking water ("Water") and related products and services to the County, and the County will pay Vendor for such Water and related products and services based on the price schedule, all as set forth on the attached Exhibit A which is incorporated by this reference.
2. Product Specifications. The Water that Vendor supplies to the County shall be fresh, sanitary, and clean potable drinking water (Nantze Springs or equivalent brand) that is fit for human consumption and supplied in clean five (5) gallon containers. Vendor shall also supply dispensers for the Water designed to hold such five (5) gallon Water container at each of the locations set forth on the attached Exhibit "B" which is incorporated by this reference. Such dispensers must provide for cold and room temperature delivery of the Water. Such Water dispensers shall remain the property of the Vendor who shall be responsible for their maintenance and replacement if needed, and which shall be promptly removed from the County locations upon termination of this Contract. Vendor shall on a biweekly delivery basis supply a sufficient quantity of six (5) gallon Water containers to each Water dispenser at the locations set forth on Exhibit "B" so that as a result of such biweekly delivery there are four to six spare five (5) gallon containers of Water for each Water dispenser. Additionally, Vendor shall deliver within one (3) business days of the County's request to any Water dispenser location at least one (1) additional container of Water upon the County's notification to Vendor that such dispenser is without Water or has no containers of Water other than the one presently in the Water dispenser.
3. Term. The term of this contract shall commence June 1, 2021 and end May 31, 2022.
4. Option to Renew. The County may renew this contract for a two more one-year terms.
