

10. The Contractor shall notify the County Engineering Division at least 24 hours prior to beginning any phase of construction so that a County Inspector can be present.
11. Traffic Control shall be provided in accordance to Georgia Department of Transportation Special Provision, Section 150. Unless otherwise indicated in the Proposal, this item will not be paid for as a separate pay item but shall be incorporated as a part of the contract.
12. All construction plans and drawings can be obtained from the office of the Lowndes County Engineer.
13. This Agreement will terminate immediately and absolutely as such time as appropriated and otherwise un-obligated funds are no longer available to satisfy the obligation of Lowndes County under this Agreement.
14. Should completion of any portion of the services be delayed for causes beyond the control or without the fault or negligence of the County including force majeure, the time for performance shall be extended for a period equal to the delay and the parties shall mutually agree on the terms and conditions upon which the services may be continued. Force majeure includes, but is not restricted to, acts of God or the public enemy, acts of the Government of the United States or of the several states, or any foreign country, or any of the preceding acts of contractors or agents, fires, floods, epidemics, riots, quarantine restrictions, strikes, civil insurrections, freight embargoes, and unusually severe weather.
