

# Support Community Growth for Lake Park, GA

To: citizens of Lowndes County, GA

This petition has been created as a community effort in Lake Park GA, Southern Lowndes County, to organize and mobilize towards the continued economic development of exit 5 on Interstate 75. In the 80's and 90's Lake Park was an economic hub for the Valdosta Lowndes County area. We would like to bring economic prosperity back to Lake Park.

What better option than to have a new Dairy Queen?

## Why is this important?

The Lakes Boulevard corridor is a commercial area that has very few viable commercial properties left. The proposed location for the Dairy Queen is the only parcel that meets the corporate qualifications for restaurant construction. This includes size of lot, distance to Interstate, ingress and egress options, and many others.

With the right devotion to this potential project in mind, this location as a Dairy Queen could obtain substantial amounts of revenue from the Lake Park community, the Dasher community, both Clyattville and Ousley areas, as well as Interstate travelers and local residents of nearby Echols County and Jennings Fl. There is currently a petition circulating against this development. Are you willing to allow 20 people to deny your grandchildren ice cream in these South Georgia summers? Sign this petition to show your support.

Signed by 764 people:
