

Attachment 2

ROADWAY WORKER PROTECTION TRAINING POLICY

Railroad and Contractor have a mutual interest in providing a safe workplace for the employees of both parties and in maintaining the integrity and security of Railroad's facilities and property (the "Property"). To help ensure this goal, Railroad has instituted a training program for all employees of Contractor or its subcontractor(s) seeking admission to the Property (the "Program"). These employees must successfully complete the Program. Contractor shall cause its employees, and shall cause its subcontractor to require its employees, to successfully complete the Program on an annual basis, at their sole cost and expense, prior to their admission onto the Property. The Program will be available on-line and administered by a third party on behalf of GWI. The cost per employee certification attempt is \$75.00 USD, payable via credit or purchasing card.

To access the G&W Roadway Worker Protection Training for Railroad Contractors Course on the RWT On-Line Portal please follow these instructions:

- Start at website <https://railpros.com/training/>
- Click on the "Online Training" button
- Select the G&W course by clicking on the course name or simply add to cart
- If creating an account for multiple people, adjust the quantity purchased to match the tests needed
- Create an account as a new user or use previous login information
- A username will be assigned after an account is created
- Fill out all of the fields on the payment page and submit
- You will be asked if this is for you or someone else, if it is for your use select you. If it is for members of your team, enter the name and contact information of those that will be taking the test
- After receiving the username and password go back to the On-Line University page and select the G&W course again
- Complete the registration process and training

All employees of the Contractor or its subcontractor(s) will be required to submit a copy of their training certification to the railroad personnel managing the applicable project.
