the responses are generally not valid or reliable. The young children enjoy being interviewed and their answers are clinically useful to the therapist/trainers.

Goals

- Enhance the capacity of counties to reduce risk factors and strengthen protective factors for at-risk youth through evidence-based programs.
- Ensure EBP is being implemented with fidelity.

Objectives

- Provide Strengthening Families Program for the identified grant year cycle.
- Have a 75% successful completion rate in all recipient counties.

IV. Project activities and services:

- A. Project's service delivery plan. In other words, explain how the agency will achieve project goals. State how services will be implemented or enhanced.

The Juvenile Court will partner with PeaceWay Counseling and Mediation Services, Inc (service provider) to implement Strengthening Families 7-17 for youth and families of youth who meet qualifying criteria.

PeaceWay Counseling & Mediation Services and Lowndes County Department of Juvenile Justice have partnered for over 16 years to implement evidence-based services in the past. Our counselors and therapist have been trained in SFP and lead a successful cohort under EBA and Grace Harbor for the FY 2021 grant cycle. PeaceWay is staffed with licensed therapist and trained counselors. PeaceWay has also been an established business in the Lowndes County & surrounding counties area for the past 16 years.
