3.   LICENSE, DELIVERABLES AND COPIES

3.1   LICENSE GRANT

(a) Subject to the terms of this Agreement, SCPDC grants to Licensee a nonexclusive, nontransferable, royalty-bearing user license during the term of this Agreement (the "License") to Use the SCPDC Software, through Internet access only, internally on one or more servers controlled by or on behalf of Licensee solely for purposes of using the SCPDC Software. The scope of the License encompasses Licensee's internal Use of the SCPDC Software in connection with providing services to Licensee's customers, allowing customers of Licensee access to Licensee's portal for the purpose of researching permit requirements and submitting permit requests to the Licensee, but excludes any sublicensing of the SCPDC Software, uploading or otherwise transferring, or providing direct access to, the SCPDC Software to any third party without SCPDC's prior written consent, including access by any third party to the SCPDC Software on a stand-alone basis. The License granted hereunder includes the use of Documentation in connection with Use of the SCPDC Software.

(b) OWNERSHIP. SCPDC owns all right, title and interest in and to the SCPDC Software and reserves all rights therein not expressly granted under this Agreement. The License transfers to Licensee neither title nor any proprietary or intellectual property rights to the SCPDC Software, Documentation, or any copyrights, patents, or trademarks, embodied or used in connection therewith, except for the rights expressly granted herein.

(i)   Without limiting the generality of the foregoing, except as expressly stated in paragraph (a), Licensee may not directly or through any third party (a) transfer or sublicense, in whole or part, any copies of the SCPDC Software to any third party; (b) modify, decompile, reverse engineer, or otherwise attempt to access the source code of the SCPDC Software; or (c) copy the SCPDC Software, except such copies of the records as necessary for reasonable and customary back-up and disaster recovery purposes. Licensee will not delete or alter the copyright, trademark or other proprietary rights notices of SCPDC and its licensors included with the SCPDC Software as delivered to Licensee, and will reproduce such notices on all copies of the SCPDC Software. If derivative works of the SCPDC Software are prepared by or on behalf of Licensee based on suggestions or requests by Licensee, SCPDC will solely own such modifications.

(ii)   The Licensee may not develop products that interface or are intended for use with the SCPDC Software ("Add-On Products") without SCPDC's express written permission.

(c) Notwithstanding the inclusion of Licensee's customers in the class of allowed users, SCPDC's affirmative obligations will be limited to Licensee.

3.2   DELIVERABLES. SCPDC shall issue to Licensee, as soon as practicable, a web address from which the Licensee can select "jurisdiction login." The login account shall be comprised of a unique username (for instance johndoe@scpdc.org) and password for each user of the system in the employ and under control of Licensee.
