

Letter of Intent

Redeemed Living is a Non-Profit 501C-3 Faith Based Recovery Residency for Men to live sober after addiction. The operating budget for Redeemed Living is funded through the rent paid by the Residents.

Our Residents come to us after they have completed an intensive alcohol and drug rehabilitation program. Redeemed Residents are required to maintain full time employment, attend weekly recovery meetings, and become an active member at a Church of their choosing.

The Campus

Located at 2193 Howell Road, Lowndes County, with close proximity to Valdosta for employment, recovery meetings (CR & AA etc.) and multiple choices for Church Worship.

A campus setting with comfortable housing and surroundings for twenty five Residents. A quality of life that encourages them to stay years rather than months.

Residents will move from sharing a room (Phase 1) to single occupancy cabins (Phase 3), all on campus with accountability, structure, and support.

Our goal is for the Residents to become spiritually and financially fit to develop into productive members' of our community.

A campus with an amenity base designed for fellowship, health, self-sufficiency, and fun. The Campus, Redeemed's Faith-Based Community.
