COUNTY ACTION REQUESTED ON: REZ-2023-09 – South GA Boat and RV Storage, ~22 acres, 6153 Inner Perimeter, from I-S to C-H, Well & Septic

HISTORY, FACTS AND ISSUES: This case represents a request to rezone approximately 22 acres from its current I-S (Intensive Services) zoning district to C-H (Highway Commercial) for semi-speculative commercial purposes.

In 2009, the property was rezoned from E-A to I-S for a biomass fuel plant, with four (4) conditions, with Condition 2 specifying the only use of the subject property be “[for] a forty (40) megawatt biomass electric generating plant.”

The subject property is accessed off Inner Perimeter Road, a State Arterial Road and part of the Inner Perimeter Road Corridor Overlay, situated within the Urban Service Area as well as the Transportation/Utilities character area. The property will be served by individual well and septic system for any offices constructed.

Per the applicant’s letter, “if approved, the site will be used to construct an RV and boat storage facility initially on only five acres of the property,” and “all phases of development intend to follow the ULDC regulations.”

The TRC reviewed the request and had no objections, while also finding the request consistent with the Comprehensive Plan and existing land use. The Planning Commission heard the request and public input on June 26th, and voted unanimously to recommend Approval (7-0).
