

coverage required by paragraphs (a) to (c) above. The required certificates of insurance shall not only name types of policies provided, but shall also refer specifically to this contract/bid.

- (e) The contractor shall provide a Certificate of Insurance to the County with a thirty (30) day notice of cancellation. In addition, the County will be shown as **Additional Insured**, with a Hold Harmless Agreement in favor of the County. The certificate should also indicate if the cover is provided under a "claims made" or "per occurrence" form. If any cover is provided under a claims made form, the certificate will show a retroactive date (in instances of contract renewals or extensions), which should be the same date of the original/first contract or prior.
 - (f) If the initial insurance expires prior to the completion of the work, renewal certificates shall be furnished thirty (30) days prior to the date of their expiration.
3. All construction supervision and measurements of quantities will be made by the Lowndes County Utility Department or their representative. Final acceptance of the project will be made by the Lowndes County Utilities Director and presented to the County Manager and Lowndes County Board of Commissioners for final payment.
 4. The Contractor is required to furnish the Lowndes County Utility Department with test reports and technical data showing that the materials and installation (compaction tests, etc) meet the appropriate requirements of the Lowndes County Utility Specifications.
 5. All base pits and borrow pits required for completion of the work shall be provided by the Contractor.
 6. Retainage shall be as follows: An amount of five (5) percent of the gross total invoiced amount will be retained for the duration of the project.
