

2.01.04 Commercial, Office, and Institutional Zoning Districts

The following commercial, office, and institutional **zoning districts** are established:

- D. C-H, Highway Commercial. This **district** is intended to provide areas for commercial activities which provide products and services that generally require locations with the highest level of access to major collector roads, arterial highways, and regional transportation systems.

2.1.05 Industrial and Intensive Zoning Districts

The following industrial **zoning districts** are established:

- A. M-1, Light Manufacturing. This **district** provides for light industrial **uses** which do not create excessive noise, odor, smoke, or dust and do not produce, store, or handle hazardous wastes. Permissible **uses** include activities involved in warehousing, assembly, storage, and commercial services.
- B. M-2, Heavy Manufacturing. This **district** provides for the manufacturing, assembling, storage, distribution, and sales activities that are generally high intensity. For those industries which may have negative impacts or nuisance factors associated with their **use**, supplemental standards shall apply within the **district**.
- C. M-3, High Intensity Industrial. This **district** provides for industrial **uses** that are involved in high intensity manufacturing and processing of materials which create excessive noise, odor, smoke, or dust. Special considerations for high intensity industrial **uses** include screening of activities, noise mitigation, and protection from encroachment from incompatible **development**.
- D. I-S, Intensive Services. This **district** is intended to provide sites for public and private facilities for wastewater treatment, land application of effluent, **landfills**, energy generation, resource recovery, and similar **uses** which may require environmental **permits**.
