COUNTY ACTION REQUESTED ON: Utilities Forklift

HISTORY, FACTS AND ISSUES: Due to growth and upgraded warehouse space, the utilities department is in need of a forklift. Staff evaluated the cost of new versus used forklifts and determined that a used forklift would meet our needs and be the most economical choice. Staff received bids on three (3) similar used forklifts.

R&S Lift Trucks from Morven \$18,100.00

United Rental \$18,500.00

Southern States Toyota \$26,341.00

R&S and Southern States offered a warranty. Staff recommends purchasing a used forklift from R&S Lift Trucks, LLC for \$18,000.00.
