To Whom It May Concern:

This letter is written as a response to vacating my current property and relocating my mobile home to Lowndes County.

My name is Kimberly Dawn Carter (Casteen). Since May of 2012, I have resided with my daughter and - husband in Quitman, GA. With certain marital circumstances, I must relocate my home and now I am requesting to have it moved back onto the same property the mobile home was moved from. Relief, if granted, will not cause substantial detriment to the public good or impair the purposes and intent of this ULDC. The current location of the mobile home is on my soon to be ex-husband's land. My daughter, Taylor Renee Casteen, is now the new owner of this property. In June 2017, I bestowed the property deed to Taylor to have it officially placed into her name. Taylor has granted me the permission, via verbally, to place the mobile home back onto the property. Not only would I like to get approval to have my home-relocated back to its original location, but I would like to do this for my daughter as well. Currently this property is overgrown and has not had proper maintenance. Again, I would like to readdress that moving my house back onto this property will allow us to better maintain the property and it's landscaping.

As a neighbor and local of the Lowndes county area, I plan to help my neighborhood become a better and beautiful place.

Thanks,

Kimberly Dawn Carter
