RE: Circle K #5145
4205 N. Valdosta Road
Valdosta, GA 31602
ZBA Review

To Whom It May Concern,

The Circle K store at 4205 N. Valdosta Road in Valdosta, GA is looking to rebrand some of their existing store signage. The proposed pylon signage will be over 150 sq ft allowed by the County's code, and they would like to request a Board of Zoning Appeals review for a variance of the signage.

Pylon A faces N. Valdosta road. The current pylon sign has a total of **161.65 sq ft** of signage. Circle K would be removing all the existing cabinet faces and replacing with the new brand faces. They would not be increasing the existing sq ft of this pylon sign.

- **PYLON A – Total proposed cabinet sq ft = 161.65 sq ft**
 - Circle K Cabinet – 108 IN by 97 IN = 72.75 sq ft
 - Unleaded Gas Cabinet – 54 IN by 97 IN = 36.37 sq ft
 - Diesel Gas Cabinet – 54 IN by 97 IN = 36.37 sq ft
 - Car Wash Cabinet – 24 IN by 97 IN = 16.16 sq ft

Pylon B faces Old US 41 North. The current pylon sign has a total of ~~137.47~~ ^{143.79} **sq ft**. Circle K would like to remove the existing cabinet faces and install the new brand faces. They would be increasing the total sq ft on this pylon sign to **153.57 sq ft**. KG

- **PYLON B – Total cabinet sq ft = Total proposed cabinet sq ft = 153.57 sq ft**
 - Circle K Cabinet – 108 IN by 97 IN = 72.75 sq ft
 - Unleaded Gas Cabinet – 48 IN by 97 IN = 32.33 sq ft
 - Diesel Gas Cabinet – 48 IN by 97 IN = 32.33 sq ft
 - Car Wash Cabinet – 24 IN by 97 IN = 16.16 sq ft
