We hereby submit this letter of intent to request variance for the property located at 2900 US Hwy 41 South, it is currently zoned for M-1, R-1, and E-A. The business, located here for more than 20 years, is a salvage yard and should be zoned M-2. Before rezoning, we are requesting variance from ULDC Code 4.03.12 A. It is our desire to have the area properly zoned for the business that has been located here. As a nonconforming property, it would be a hardship to us to continually apply for variance for every update we make to our property.

Sincerely,

Randy Hogan
